Texworld NYC Celebrates 20 Years as the East Coast's Largest Premier Global Sourcing Destination

The Co-Located Event Unites Global Textiles, Apparel Manufacturing, Home Textiles, and Print Design Under One Roof

The textile industry's most comprehensive summer sourcing destination returns to New York City this July, bringing together Texworld NYC, Apparel Sourcing NYC, Home Textiles Sourcing NYC, and Printsource for three days of global sourcing, trend discovery, education, and industry connection. Taking place **July 29–31 at the Javits Center**, attendees will enjoy complimentary access to four dynamic events featuring 425+ international exhibitors, specialty sourcing opportunities, trend forecasting, hands-on workshops, and thought-provoking educational programming designed to inspire the future of fashion and textiles.

This year's event is particularly special as **Texworld NYC celebrates its 20th anniversary**, marking two decades of connecting the global textile and apparel community through innovation, inspiration, and meaningful business opportunities. What began in 2006 as a modest textile sourcing event has evolved into one of North America's leading sourcing platforms—offering unparalleled access to the entire textile and apparel supply chain.

"As we celebrate 20 years of Texworld NYC, we're also celebrating the incredible global community of designers, brands, manufacturers, and industry leaders that have shaped the event into what it is today," said Jennifer Bacon, Vice President, Fashion and Apparel Shows at Messe Frankfurt Inc. "This milestone edition reflects our continued commitment to providing meaningful opportunities for sourcing, education, and collaboration while creating space for the conversations and innovations that will define the future of the industry."

Special Feature Highlights:

Texworld Trend Showcase

The globally renowned trend-forecasting agency, Peclers Paris, returns to curate the Summer 2026 Trend Showcase, offering an exclusive look at the colors, materials, and consumer shifts shaping **Fall/Winter 2027/28**. Through four compelling trend stories, attendees will explore emerging aesthetics and innovative textiles shaping the seasons ahead. Guided Trend Showcase tours led by

Peclers Paris experts will provide additional insight into each concept and the exhibitor products that bring them to life.

Textile Talks: Industry Leaders Take the Stage

From tariffs and sustainability to AI, climate resilience, and global trend forecasting, Textile Talks brings together some of the industry's most influential voices for timely discussions shaping the future of fashion and textiles.

This year's lineup includes experts and executives from leading organizations such as Li & Fung, David Yurman, Carter's, Tapestry (Coach and Kate Spade), Eileen Fisher, Vogue Business, NYU Stern Center for Sustainable Business, Fibershed, and many more.

Find the full schedule [here](#).

Texworld's Innovation Hub

Explore innovative materials, emerging technologies, and forward-thinking solutions shaping the future of fashion and textile sourcing.

Exhibitor Pitch – Powered by Texpertise

Hear directly from exhibitors on the show floor as they showcase their latest products, capabilities, and sourcing solutions through engaging, bite-sized presentations.

Hands-On Workshops

Led by Xochil Herrera of The Chicago Pattern Maker, attendees can participate in interactive workshops designed to strengthen technical product development and patternmaking skills.

Specialty Sourcing Opportunities

Attendees can easily identify suppliers aligned with their sourcing priorities through dedicated sourcing categories, including:

Texpertise Econogy – Messe Frankfurt's sustainability initiative highlighting exhibitors committed to environmentally and socially responsible production practices.

Deadstock – Discover unique surplus and excess fabrics that support circular fashion initiatives while offering one-of-a-kind sourcing opportunities.

Low MOQ – Connect with suppliers offering low minimum order quantities, ideal for emerging brands and businesses seeking greater production flexibility.

One Registration. Four Events. Endless Opportunities.

From worldwide sourcing and education to trend discovery and networking, attendees can tailor their experience across four co-located events designed to inspire what's next for their business.

As Texworld NYC celebrates its 20th anniversary, the Summer 2026 edition promises to honor the show's legacy while looking ahead to the next generation of innovation, creativity, and global collaboration.

Background information on Texworld New York City and Apparel Sourcing New York City

Texworld NYC is one of the largest sourcing events on the East Coast for apparel fabric buyers, research and product development specialists, designers, merchandisers, and overseas sourcing professionals. This international business platform offers a wide product range covering the entire fabric spectrum. From casual cotton to functional fabrics and sophisticated knits to intricate laces, season- to- season attendees discover textiles of innovative structures, material mixes, and surprising color palettes.

As a long- term joint venture partnership between Messe Frankfurt and CCPIT- Tex, Apparel Sourcing New York City offers apparel brands, retailers, wholesalers, and independent design firms a dedicated sourcing marketplace for finding the best international apparel manufacturers. As the only event on the East Coast to focus on finished apparel, contract manufacturing, and private label development, the show provides attendees direct access to suppliers specializing in ready- to- wear for men, women, children, and accessories.

Background information on Home Textiles Sourcing

As a long- term joint venture partnership between Messe Frankfurt and CCPIT- TEX, Home Textiles Sourcing Expo is one of the largest sourcing events in North America to solely focus on fabrics and finished soft goods for all home applications. Held annually alongside Texworld New York City and Apparel Sourcing New York City, Home Textiles Sourcing provides manufacturers, retailers, jobbers, converters, contract specifiers and designers a one-stop sourcing venue to locate new fabrics and products for their latest collections. Together, the co- located shows create one of the largest fabric sourcing destinations for the North American marketplace. Home Textiles Sourcing is set to make its West Coast debut this July 2026 alongside Texworld and Apparel Sourcing Los Angeles.
